# Device and technology acceptable use agreement for pupils

At Holy Family Catholic Primary School, we know that using technology is an important part of your learning experience. We want everyone to be able to use technology, such as the internet and laptops, safely and responsibly. This agreement sets out the rules for using technology and devices, both school-owned and personal, while at school.

This agreement supports the school's Online Safety and Safeguarding Policies, in line with the Online Safety Act 2023, Keeping Children Safe in Education (KCSIE 2025), and the Data Protection Act 2018 (UK GDPR).

If you have any questions about anything in this agreement, speak to your teacher.

## Definitions

Before you read the agreement, here are some key terms you should understand:
