

HOLY FAMILY

CATHOLIC PRIMARY SCHOOL

This Week- 04.04.26

What a short week! I hope you enjoyed the time with the children. We gathered together for our *Open with Mary* sessions, and this week's assembly marked our opening Gospel Celebration, centred on the Word from St John's Gospel. It was a beautiful way to begin this special month of May as we honour Our Lady through prayer and song. Reflecting on our mission from John's Gospel, "*I am the Way, the Truth and the Life,*" we were encouraged to think about an important question: **how can we follow Jesus and show His love in our actions each day?** This message continues to guide us in all that we do, shaping how we learn, care for one another, and grow together as a community. I would also like to celebrate the wonderful achievements of our children this week. We had an amazing response to our Geography competition, where children explored and shared facts about places around the world. A big well done to everyone who took part. Congratulations as well to Year 1, who proudly won the attendance cup—what a brilliant achievement showing great commitment and teamwork! Our children have been carefully following Mrs W's planting instructions and enjoying checking on their growing plants. As our "seeds of hope" begin to grow taller, so too do our pupils' confidence, teamwork, and sense of responsibility. These moments help children develop a love and respect for the world around them. We keep our Year 6 pupils especially in our thoughts and prayers as they begin their SATs next week. We are so proud of each and every one of them. These tests are just one small part of their journey—each child is unique, gifted, and valued far beyond any result. We wish them calm, confidence, and the knowledge that they have already achieved so much. Finally, we say a fond farewell to Coach Ellie, who is beginning an exciting new chapter as a Personal Trainer. We are incredibly grateful for her dedication and the positive impact she has had on our school over the past two years. She will be greatly missed, and we wish her every success in her new adventure.

We have **school places** in Year 2, 3 and Reception. Please let others know about Holy Family

Attendance

It is vitally important that your child is in school and on time every day. As a school we constantly aim for 100% attendance to make sure your child is getting the very most out of school. We visit families if children are not in school as absences are a concern.
