

# HOLY FAMILY

## CATHOLIC PRIMARY SCHOOL

### This Week- 08.06.2026

In our Gospel assembly, we reflected on the meaning of the Body and Blood of Christ and how we can live out Jesus' message of love and service each day. This week, we were delighted to welcome medical students from Birmingham University, who gave our children an exciting insight into life as a doctor. The children loved exploring medical equipment and listening to their own heartbeats, even becoming 'mini doctors' as they cared for a poorly teddy!

We also marked Empathy Day, with lots of wonderful learning such as taking part in Kindness Bingo and showing our school virtues by supporting and encouraging one another. Across the school, children shared thoughtful ideas about kindness and caring for others.

Year 1 put their learning into action with a litter pick at the park, inspired by St Francis of Assisi. Despite the rain, they worked enthusiastically to look after our local environment. It has been a week of key achievements too—Year 4 completed their Multiplication Check and celebrated with a well-deserved treat, while Year 1 successfully completed their Phonics Screening Check.

Year 2 impressed us with a wonderful puppet show based on *The Bear and the Piano*, showing great creativity and confidence.

Finally, the school was awash with yellow and red as we shared our learning about Spanish speaking countries. The cuisine of the day reflected that of Spanish culture and the children celebrated with a special Spanish dance in the hall.

We have **school places** in Year 2, 3 and Reception. Please let others know about Holy Family
