

HOLY FAMILY

CATHOLIC PRIMARY SCHOOL

This Week- 06.07.2026

On Monday, our House Saint groups got together to think about their Saints that we admire and how they inspire us to do our best – especially in sports! It was a really special moment that brought our Catholic values to life.

On Tuesday, Nurse Jo popped in to see our younger children in Key Stage 1 and had a great chat with them about looking after their teeth. She showed them how to brush properly, twice a day, and even gave each child their own toothbrush, toothpaste, and a fun timer to help them remember. The children loved it, and Nurse Jo also told them all about her job in nursing – it was lovely to see them so interested in helping others.

We also had a visit from the Loudmouth Theatre Group on Wednesday, who came in to talk about staying safe online and using social media sensibly. They made it really fun and interactive, so all our pupils could understand why it's so important to think carefully about what they do on their devices.

On Thursday, what an absolutely brilliant day we had! Our Year 6 pupils got to run the school for the day, which was such a great experience for them to show what they could do as leaders. Everyone dressed up as different people with interesting jobs – doctors, lawyers, teachers and loads more – so our children could see all the amazing careers out there. We also had some wonderful performances from our school choir and some fantastic Irish dancing. It was a real celebration of talent and different cultures. Thank you to Mrs Aldred, Mrs Melton and Miss Kinsella for preparing the children. We were so proud of them all. Our governors were delighted to see the children perform and were full of praise for their confidence, enthusiasm and talent.

Next Thursday we're holding a special Mass for our leavers, followed by an assembly on Friday. It'll be a lovely way to celebrate everything our Year 6 pupils have achieved. We break on Friday at 1pm for the summer break.

Attendance

It is vitally important that your child is in school and on time every day. As a school we constantly aim for 100% attendance to make sure your child is getting the very most out of school. We visit families if children are not in school as absences are a concern.
